### **Saving Humanity from the Abyss**

“The Scroll of Deuel,” the latest novel by Charlene Lassig, is a story highlighting one of the oldest and most basic ethical concepts: Should I do what is right for my personal interest, or shall I do what is right for so many others?

Josiah, in the crusade for the guidance of his Esprit de corps, faces the rogue guardians who have opened an abyss, unleashing unyielding terror upon the Earth. In the battle between good and evil, Silver Lake, Wisconsin, has become the innocent and neutral battleground. Josiah is now faced with the weight of saving the people of Silver Lake from ultimate destruction with his physical strength and divine powers, and in so doing, saving the very human race he despises.

Josiah did not choose humanity, it chose him. Now humanity’s future lies in his hands.

Silver Lake, Wisconsin holds a different meaning to author Charlene Lassig, as she resides there with her husband Kurt, and two sons Aaron and Donovan. This small community is also the setting for three other writing projects, one of which is the sequel to “The Scroll of Deuel,” titled “The Brook of Tears.”

“The Scroll of Deuel” is available in softcover (ISBN 978-1-60264-508-0) and hardcover (ISBN 978-1-60264-509- 7) from Virtualbookworm.com, Amazon.com, and Barnesandnoble.com. This book can also be ordered from most bookstores around the United States and United Kingdom.
